4. Findings

The item was received in its retail packaging. The packaging had been opened and the contents show only light handling. Photographs of the item and packaging are attached to the inspection record.

No serial number is recorded for this order line; identity was confirmed from the product label, SKU and packaging.

All accessories listed for the product were present.

Assessment: no defect was verified (defect verified: No). The findings neither confirm nor contradict the reason recorded on the return (changed_mind).

5. Inspector system note (verbatim from inspection record)

"Item returned unused or lightly used. No defect claimed."

6. Recommended next step

No defect was claimed or found; eligibility is assessed under the change-of-mind conditions of the accessories return policy. The request was raised 9 days after delivery, within the 30-day return window for accessories. Once cleared, the item is suitable for resale as new or open-box.

Result codes (SOP WH-INS-07): PASS = inspection protocol completed and claim-relevant findings are conclusive; FAIL = findings do not support the claim as stated; INCONCLUSIVE = findings cannot be confirmed without further verification. Product condition codes follow the warehouse grading scale (new, like_new, open_box, damaged, defective, unsafe, for_parts).
