4. Findings

The item was received in its outer shipping carton. On unpacking, the inspector recorded physical damage. Photographs of the damaged areas and the packaging are attached to the inspection record.

No serial number is recorded for this order line; identity was confirmed from the product label, SKU and packaging.

All accessories listed for the product were present.

Assessment: no defect was verified (defect verified: No). The findings neither confirm nor contradict the reason recorded on the return (damaged).

5. Inspector system note (verbatim from inspection record)

"Cosmetic marks only; damage reported by the customer could not be confirmed."

6. Recommended next step

No defect was verified. The stated reason (damaged) should be checked by a returns analyst against the order line under the fashion return policy. The request was raised 2 days after delivery, within the 15-day return window for fashion. Once cleared, the item is suitable for open-box resale.

Result codes (SOP WH-INS-07): PASS = inspection protocol completed and claim-relevant findings are conclusive; FAIL = findings do not support the claim as stated; INCONCLUSIVE = findings cannot be confirmed without further verification. Product condition codes follow the warehouse grading scale (new, like_new, open_box, damaged, defective, unsafe, for_parts).
