4. Findings

The item was received in its outer shipping carton. On unpacking, the inspector recorded physical damage. Photographs of the damaged areas and the packaging are attached to the inspection record.

No serial number is recorded for this order line; identity was confirmed from the product label, SKU and packaging.

All accessories listed for the product were present.

Assessment: the reported problem was verified on the bench (defect verified: Yes). The findings support the reason recorded on the return (damaged).

5. Inspector system note (verbatim from inspection record)

"Physical damage confirmed: a torn seam at the shoulder. Consistent with the customer report."

6. Recommended next step

Findings are conclusive and support the claim. Any refund is subject to the approval thresholds in the fashion return policy. The request was raised 14 days after delivery, within the 15-day return window for fashion.

Result codes (SOP WH-INS-07): PASS = inspection protocol completed and claim-relevant findings are conclusive; FAIL = findings do not support the claim as stated; INCONCLUSIVE = findings cannot be confirmed without further verification. Product condition codes follow the warehouse grading scale (new, like_new, open_box, damaged, defective, unsafe, for_parts).
