Warranty tiers in the current catalogue

The warranty period for each product is recorded in products.warranty_months. Current distribution:

Warranty period	Number of products
0 months	21
6 months	3

Coverage

Fashion items in the current catalogue carry 0 or 6 months of warranty (UrbanWeave Classic Cotton Shirt: 0). Footwear and outerwear with a non-zero period are covered against sole separation or zipper failure, as recorded in the catalogue.

Quality complaints

Seam failure, colour bleeding or misprint reported within the 15-day return window are handled as returns. After the window, items with 0 months of warranty may be considered only as a supervisor-approved policy exception.

Standard conditions

- Normal wear, pilling and fading are excluded.
- Items altered after delivery are excluded.
