Version	2.0
Effective date	2025-01-01
Category	home_appliances
Products in catalogue	33

Warranty tiers in the current catalogue

The warranty period for each product is recorded in products.warranty_months. Current distribution:

Warranty period	Number of products
12 months	21
24 months	12

On-site service

Appliances above 10 kg are serviced on site by an authorised partner. Air purifiers and small appliances are collected for bench service.

Safety exclusions

A unit classified as unsafe on inspection is not repaired. The customer receives a replacement or refund and the unit is quarantined (see RFB-SAF-2025-02).

Standard conditions

- HomeHive Air Purifier 300 carries 24 months.
- Consumables (filters, gaskets, bulbs) are excluded.
- Installation damage by non-authorised installers is excluded.
